

Table of Contents

| | |
|--|---|
| Introduction | 1 |
| Chapter 1: Risk Assessment Basics | X |
| Joint Commission Requirements..... | X |
| What Is a Risk Assessment?..... | X |
| Why Assess Risks?..... | X |
| Risk Assessment Documentation..... | X |
| Where Are the Risks?..... | X |
| Who Identifies Risks?..... | X |
| How Can an Organization Conduct a Risk Assessment?..... | X |
| Tools to Try | X |
| Tool 1-1. Sample Environmental Safety Management Plan..... | X |
| Tool 1-2. Proactive Risk Assessment Worksheet Example..... | X |
| Tool 1-3. Failure Mode and Effect Analysis (FMEA) Worksheet Example..... | X |
| | |
| Chapter 2: Joint Commission and JCR Tools for Risk Assessment | X |
| The <i>SAFER</i> ® Matrix..... | X |
| The <i>SAFER</i> Dashboard..... | X |
| Intracycle Monitoring..... | X |
| Tracers with AMP®..... | X |
| The Statement of Conditions™..... | X |
| Tools to Try | X |
| Tool 2-1. <i>SAFER</i> ® Matrix and Required Follow-Up Activities Example..... | X |
| Tool 2-2. Mock Tracer Worksheet Example..... | X |
| Tool 2-3. Tracer Questions for the Physical Environment..... | X |
| | |
| Chapter 3: Safety | X |
| Overview of Assessing Risks..... | X |
| Tour vs. Rounds vs. Tracer vs. Assessment..... | X |
| Environmental Tours..... | X |
| Worker Safety Risk Assessment..... | X |
| The Job Hazard Analysis..... | X |
| Special Risk Considerations..... | X |
| Tools to Try | X |
| Tool 3-1. EC Committee Reporting Schedule..... | X |

| | |
|---|---|
| Tool 3-2. Sample Safety Risk Assessment..... | X |
| Tool 3-3. Corrective Action Plan Worksheet Example..... | X |
| Tool 3-4. Worker Safety Risk Assessment Worksheet..... | X |
| Tool 3-5. Job Hazard Analysis Worksheet Example..... | X |
| Tool 3-6. Environmental Risks for Suicide Assessment Checklist..... | X |
| Tool 3-7. Sample Smoke-Free Policy..... | X |

Chapter 4: Security.....X

| | |
|--|----------|
| Overview of Assessing Risks..... | X |
| Common Security Risks in Health Care Settings..... | X |
| Staff Problems..... | X |
| Specific Patient Populations..... | X |
| Technology and Data Security..... | X |
| Tools to Try..... | X |
| Tool 4-1. Sample Security Event Risk Assessment..... | X |
| Tool 4-2. Sample Security Risk Worksheet for Assets..... | X |
| Tool 4-3. Environmental Risks for Workplace Violence Assessment Checklist..... | X |
| Tool 4-4. Sample Cybersecurity Risk Assessment..... | X |
| Tool 4-5. Health Information Security Tracer..... | X |
| Tool 4-6. Health IT Security Decision Checklist..... | X |

Chapter 5: Hazardous Materials and Waste.....X

| | |
|---|----------|
| Hazardous Materials vs. Hazardous Waste..... | X |
| Overview of Risk Identification..... | X |
| Hazmat Inventory Creation and Management..... | X |
| Special Risk Considerations..... | X |
| Tools to Try..... | X |
| Tool 5-1. Sample Safety Data Sheet..... | X |
| Tool 5-2. Sample Hazardous Materials and Waste Storage Risk Assessment..... | X |
| Tool 5-3. Hazardous Materials and Waste Inventory Worksheet..... | X |
| Tool 5-4. Sample Eyewash Station and Drench Shower Risk Assessment..... | X |

Chapter 6: Fire and Life Safety.....X

| | |
|---|----------|
| Fire Safety vs. Life Safety..... | X |
| Assessing Compliance Challenges..... | X |
| Interim Life Safety Measures..... | X |
| Equivalency and Time-Limited Waivers..... | X |
| The Human Factor..... | X |
| Tools to Try..... | X |

| | |
|---|---|
| Tool 6-1. Checklist for Identifying Fire Safety and Other Issues in Health Care Occupancy Kitchens..... | X |
| Tool 6-2. Building Assessment Tool..... | X |
| Tool 6-3. Fire Drill Scheduling Tool..... | X |
| Tool 6-4. Life Safety Mock Tracer Worksheet..... | X |
| Tool 6-5. Surgical Fire Risk Assessment..... | X |
| Tool 6-6. Sample Interim Life Safety Measures Policy..... | X |
| Tool 6-7. Sample ILSM Assessment and Selection Checklist..... | X |

Chapter 7: Medical Equipment.....X

| | |
|---|----------|
| Overview of Risk Identification..... | X |
| Equipment Selection..... | X |
| The Medical Equipment Management Program..... | X |
| Maintenance Strategies..... | X |
| Special Considerations..... | X |
| Tools to Try..... | X |
| Tool 7-1. Medical Equipment Maintenance Program Evaluation Checklist..... | X |
| Tool 7-2. Alternative Equipment Maintenance Program Compliance Checklist..... | X |
| Tool 7-3. High-Risk Medical Equipment Identification Checklist..... | X |
| Tool 7-4. Diagnostic Imaging Compliance Assessment Checklist..... | X |

Chapter 8: Utilities.....X

| | |
|--|----------|
| Overview of Risk Identification..... | X |
| Creating a Risk-Based Inventory..... | X |
| Maintenance Strategies..... | X |
| Emergency Electrical Power..... | X |
| Medical Gas and Vacuum Systems..... | X |
| Waterborne Pathogens..... | X |
| Tools to Try..... | X |
| Tool 8-1. High-Risk Utility System Component Identification Checklist..... | X |
| Tool 8-2. Utility Outage Mock Tracer Worksheet..... | X |
| Tool 8-3. Piped and Cylinder-Delivered Medical Gas Compliance Checklist..... | X |
| Tool 8-4. CDC Water Infection Control Risk Assessment for Health Care Settings | X |
| Tool 8-5. Ventilation System Risk Assessment..... | X |

Chapter 9: Construction.....X

| | |
|--|---|
| Overview of Assessing Risks..... | X |
| The Infection Control Risk Assessment..... | X |
| Interim Life Safety Measures..... | X |

| | |
|--|----------|
| Other PCRA Issues..... | X |
| Documenting the Process..... | X |
| Tools to Try..... | X |
| Tool 9-1. Preconstruction Risk Assessment..... | X |
| Tool 9-2. Daily Construction Project Safety Inspection Checklist..... | X |
| Tool 9-3. ASHE Infection Control Risk Assessment 2.0: Matrix of Precautions for Construction, Renovation, and Operations..... | X |
| Glossary..... | X |
| Index..... | X |
