<b>Access to the Digital Tools in This Book</b> .....	vii
<b>Introduction</b> .....	1
<b>Chapter 1. Overview of Behavioral Health Care and Human Services Documentation</b> .....	7
<b>The Basics of Documentation for Behavioral Health Care and Human Services</b> .....	7
The five W's of behavioral health care and human services documentation .....	7
Types of behavioral health care and human services documentation .....	7
Dated and authorized orders .....	11
<b>The Process of Care, Treatment, or Services</b> .....	11
Elements of the care, treatment, or services process .....	12
Duration and methods of data collection .....	12
Analyzing assessment information .....	13
Action planning .....	13
Action implementation review and process restart .....	13
Separation of a continuous process .....	14
<b>Core Steps of Care, Treatment, or Services</b> .....	14
Step-by-step care, treatment, or services .....	16
Purpose of documentation in the core steps .....	16
<b>Support for the Care, Treatment, or Services System</b> .....	19
Joint Commission standards and documentation in behavioral health care and human services .....	19
Principles and practices of documentation in behavioral health care and human services .....	19
Documentation of support processes .....	19
<b>Effective, High-Quality Documentation</b> .....	20
Formats of documentation in behavioral health care and human services .....	21
Standardization of documentation .....	21
Policies for security and retention of documentation .....	22
Characteristics of effective documentation .....	22
High-quality documentation for evaluation of practices and progress .....	23
<b>Successful Strategies: Measurement-Based Behavioral Health Care and Human Services</b> .....	24
Joint Commission Requirements .....	25
Choosing a Measurement Instrument .....	25
Documenting Assessments and Improvements .....	26
Strategies for Compliance .....	26
A Profound Impact .....	27

## Tools to Try

- **Tool 1-1.** Policies and Procedures Evaluation Checklist..... 29
- **Tool 1-2.** Outcomes Measurement Tracer Questions..... 31
- **Tool 1-3.** Mock Tracer Form with SAFER® Matrix ..... 32

## Chapter 2. Documentation of Screening and Assessment of Care, Treatment, or Services ..... 33

### Initial Screening and Assessment..... 33

- Screening vs. assessment ..... 34
- Initial screening data ..... 34
- Specific behavioral/emotional screening data ..... 34
- Screening for risk of harm and abuse, neglect, trauma, or exploitation..... 37
- Characteristics of effective suicide screening tools ..... 37
- Following up with suicide assessment ..... 37
- Data collection and analysis..... 40
- Screening and assessment at intense levels of care, treatment, or services..... 40

### Physical Screening and Assessment ..... 41

- Requirements for physical assessment..... 41
- Physical health screenings..... 41
- H&P admissions data for outcomes measurement in eating disorders programs ..... 46
- Physical screening and assessment for outdoor/wilderness programs ..... 47
- Coordinating nonphysician and physician reports..... 47
- Screening for physical pain ..... 47

### Behavioral/Emotional Screening and Assessment..... 48

- Determining behavioral/emotional needs ..... 48
- Initial vs. follow-up behavioral/emotional screenings and assessments ..... 49

### Other Assessment Data ..... 50

- Potentially relevant assessment elements ..... 50
- Strength assessment ..... 51
- Strengths as recovery capital..... 51
- Cultural assessment..... 51
- Considering age/generation ..... 53
- Spiritual assessment..... 53

### Analysis of Assessment Data ..... 55

- Elements of a diagnostic summary ..... 55
- The statement of needs ..... 55
- Connection between the diagnostic summary and statement of needs ..... 57

### Screening and Assessment Challenges ..... 57

- Common problems in behavioral health care and human services screening and assessment documentation..... 57
- Assessment vs. summation..... 57
- Documenting verbal assessment discussions ..... 57
- Clear, precise, and accurate language ..... 58
- Difficulty of assessment posed by substance abuse ..... 59

<b>Successful Strategies: Screening and Assessment for Trauma/Abuse in Substance</b>	
<b>Use Programs</b>	60
Joint Commission Requirements	60
Adverse Childhood Experiences and Substance Abuse	60
Lifespan Effects of Adverse Childhood Experiences	61
Documentation Tools for Identification and Assessment of Trauma/Abuse	62
Strategies to Facilitate Identifying and Assessing Trauma/Abuse	63
<b>Tools to Try</b>	
• <b>Tool 2-1.</b> BHC Screening and Assessment Tool Evaluation Checklist	65
• <b>Tool 2-2.</b> Risk-of-Harm Screening Form	67
• <b>Tool 2-3.</b> Suicide Risk Assessment Form	70
• <b>Tool 2-4.</b> Suicide Risk Assessment Tracer Questions	76
• <b>Tool 2-5.</b> Environmental Risks for Suicide Assessment Checklist	77
• <b>Tool 2-6.</b> Physical Health Screening Form	83
• <b>Tool 2-7.</b> Physical Health Examination Form	95
• <b>Tool 2-8.</b> Physical Pain Assessment Questionnaire	108
• <b>Tool 2-9.</b> Behavior Screening Checklist for ID/DD Programs	111
• <b>Tool 2-10.</b> Behavioral/Emotional Assessment Form—Example	125
• <b>Tool 2-11.</b> Diagnostic Summary Form—Example	139
• <b>Tool 2-12.</b> Statement of Needs Form—Example	143
• <b>Tool 2-13.</b> Strength Assessment Questionnaire	146
• <b>Tool 2-14.</b> Spiritual Assessment Questionnaire	148
<b>Chapter 3. Documentation of Planning, Delivery, and Continuity of Care, Treatment, or Services</b>	151
<b>Planning of Care, Treatment, or Services</b>	151
Documenting goals and objectives	151
Defining dates for goals	152
Documenting preferences	152
Documenting planned interventions	153
Using practice guidelines to develop the plan	154
The individual's participation in planning	154
The family's participation in planning	154
Clinical/case record vs. plan for care, treatment, or services	155
Documenting the plan for care, treatment, or services	155
<b>Delivery of Care, Treatment, or Services</b>	156
Documenting responses to interventions	157
Documentation for coordination of care, treatment, or services	157
Progress notes vs. process notes	158
Collaborative progress notes	158
Progress notes as cues for plan revision	159
<b>Continuity of Care, Treatment, or Services</b>	159
Documenting discharge activities	160
Discharge planning	161
Documentation of needs for a continuing plan for care, treatment, or services	161
When discharge isn't part of the plan	161

<b>Planning, Delivery, and Continuity Challenges</b> .....	163
Reviewing and updating the plan .....	163
Characteristics of effective plans for care, treatment, or services.....	163
Documenting medications .....	163
Documenting restraint and seclusion .....	165
Special programs documentation .....	165
Cultural considerations for successful discharge.....	166
Education of individuals on care, treatment, or services.....	166
Ensuring staff competency .....	166
<b>Successful Strategies: Documentation of Planning, Delivery, and Continuity in Behavioral Health Homes</b> .....	167
About Behavioral Health Home Certification .....	167
Documentation Strategies .....	168
Joint Commission Requirements.....	168
Documentation in Planning for Care, Treatment, or Services.....	168
Delivery and Continuity of Care, Treatment, or Services.....	169
Strategies for Delivery and Continuity .....	169
<b>Scenarios to Study: Involving the Individual in Creating the Plan for Care, Treatment, or Services</b> .....	171
Identification of Needs, Strengths, and Preferences.....	171
Prioritization of Needs .....	172
Identification of Goals.....	172
Creation of Objectives and Interventions .....	172
Delivery of Care, Treatment, or Services .....	173
<b>Tools to Try</b>	
• <b>Tool 3-1.</b> Coping Strategies Preferences Form .....	175
• <b>Tool 3-2.</b> Plan for Care, Treatment, or Services—Example .....	177
• <b>Tool 3-3.</b> Progress Note Form—Example.....	186
• <b>Tool 3-4.</b> Discharge Summary Form .....	189
• <b>Tool 3-5.</b> Recovery Safety Plan Form .....	193
• <b>Tool 3-6.</b> Plan Review Form—Example.....	195
• <b>Tool 3-7.</b> Plan for Care, Treatment, or Services Evaluation Checklist.....	197
• <b>Tool 3-8.</b> Medication Reconciliation Form.....	199
• <b>Tool 3-9.</b> Restraint and Seclusion Tracer Questions .....	201
• <b>Tool 3-10.</b> BHC Individual-Served Education and Information Checklist.....	202
• <b>Tool 3-11.</b> BHC Documentation Performance Evaluation Checklist.....	204
<b>Glossary</b> .....	207
<b>Index</b> .....	211
