

# Table of Contents

<b>Table of Terms .....</b>	vii
<b>Introduction .....</b>	1
<b>Chapter 1: Who's Who in the EC? .....</b>	9
<b>Key Concepts .....</b>	9
• Responsibility for the Environment of Care .....	10
• Key Staff and Organizations .....	11
• The EC Committee .....	15
• Leadership Levels and Performance Improvement .....	17
<b>Try These Tools</b>	
• <a href="#">Tool 1-1. Environment of Care Contact Sheet</a>	
• <a href="#">Tool 1-2. EC Committee Reporting Schedule</a>	
<b>Chapter 2: What's What in the EC? .....</b>	19
<b>Key Concepts .....</b>	19
• EC Management Plans .....	20
• EC Risk Assessments .....	26
• Environmental Tours .....	32
• EC Documentation .....	36
• Information Collection .....	37
• Competent, Well-Trained Facilities Staff .....	39
<b>Try These Tools</b>	
• <a href="#">Tool 2-1. Sample Safety Management Plan</a>	
• <a href="#">Tool 2-2. EC Management Plan Evaluation Checklist</a>	
• <a href="#">Tool 2-3. EC Management Plan Annual Evaluation Process Policy</a>	
• <a href="#">Tool 2-4. EC Tour Checklist</a>	

## TOOLS TO TRY

The tools in this book are available as downloadable, customizable resources that can be distributed internally to health care staff. To access these tools, visit [https://store-jcinc.ae-admin.com/assets/1/7/ECME23\\_Landing\\_Page.pdf](https://store-jcinc.ae-admin.com/assets/1/7/ECME23_Landing_Page.pdf). Users of the e-book can click on each tool title in the “Try This Tool” text boxes.

<b>Chapter 3: Safety .....</b>	41
<b>Key Concepts.....</b>	41
• General Safety .....	42
• Worker Safety.....	45
• Infection Prevention and Control in the Environment of Care .....	49
• Slips, Trips, and Falls.....	51
• Medical Gas Cylinder Storage.....	52
• Smoke- and Vaping-Free Policy.....	54
• Product Notices and Recalls.....	56
• Environmental Suicide Risks and Ligature Resistance.....	57
<b>Try These Tools</b>	
• <a href="#">Tool 3-1. Sample Safety Risk Assessment</a>	
• <a href="#">Tool 3-2. Job Hazard Analysis Worksheet</a>	
• <a href="#">Tool 3-3. Patient Handling Ergonomic Checklist</a>	
• <a href="#">Tool 3-4. Environmental Services Checklist: Cleaning Patient Rooms</a>	
• <a href="#">Tool 3-5. Sharps Injury Administrative Controls Checklist</a>	
• <a href="#">Tool 3-6. Slips, Trips, and Falls Prevention Checklist</a>	
• <a href="#">Tool 3-7. Smoke- and Vaping-Free Policy Development Checklist</a>	
• <a href="#">Tool 3-8. Smoke- and Vaping-Free Policy Scripts</a>	
• <a href="#">Tool 3-9. Product Notice and Recall Policy Development Checklist</a>	
• <a href="#">Tool 3-10. Environmental Risks for Suicide Assessment Checklist</a>	
<b>Chapter 4: Security .....</b>	61
<b>Key Concepts.....</b>	61
• Access Control .....	62
• Abductions and Elopements.....	67
• Workplace Violence .....	70
• Security Incident Reporting.....	77
• Security Risk Assessment and Analysis.....	78
<b>Try These Tools</b>	
• <a href="#">Tool 4-1. Civil Disturbance Policy Development Checklist</a>	
• <a href="#">Tool 4-2. Environmental Risks for Workplace Violence Assessment Checklist</a>	
• <a href="#">Tool 4-3. De-Escalating Potential Violence Checklist</a>	
• <a href="#">Tool 4-4. Pocket Card: Workplace Violence De-Escalation Strategies</a>	
• <a href="#">Tool 4-5. Sample Security Event Risk Assessment</a>	
<b>Chapter 5: Hazardous Materials and Waste .....</b>	79
<b>Key Concepts.....</b>	79
• Creating a Hazmat Management Plan .....	80
• Hazmat Inventory.....	82
• Hazmat Procedures .....	86
• Managing Specific Types of Materials.....	89
• Labeling and Safety Data Sheets .....	96

• Hazardous Waste Disposal .....	99
• Responding to Hazmat Incidents.....	101

#### **Try These Tools**

- [Tool 5-1. Hazardous Materials Inventory Form](#)
- [Tool 5-2. Hazmat Inventory Development Checklist](#)
- [Tool 5-3. Sample Safety Data Sheet—Peracetic Acid 15%](#)
- [Tool 5-4. Hazmat Labeling Checklist](#)
- [Tool 5-5. Hazardous Waste Storage Inspection Checklist](#)
- [Tool 5-6. Hazardous Chemicals—Engineering and Other Controls Checklist](#)
- [Tool 5-7. Hazmat Spill Response Checklist](#)
- [Tool 5-8. Eyewash Station and Drench Shower Risk Assessment](#)

<b>Chapter 6: Medical Equipment</b> .....	105
---	-----

<b>Key Concepts</b> .....	105
• Managing the Program.....	106
• Medical Equipment Inventory .....	109
• Inspection, Testing, and Maintenance .....	111
• Responding to Failures.....	118
• Equipment Management for Home Care .....	118

#### **Try These Tools**

- [Tool 6-1. High-Risk Medical Equipment Identification Checklist](#)
- [Tool 6-2. Medical Equipment Documentation Checklist](#)
- [Tool 6-3. Alternative Equipment Maintenance Program Compliance Checklist](#)
- [Tool 6-4. Diagnostic Imaging Equipment Compliance Assessment Checklist](#)

<b>Chapter 7: Utility Systems</b> .....	125
---	-----

<b>Key Concepts</b> .....	125
• Managing the Program.....	126
• Inventory of Utility System Operating Components.....	128
• Utility System Maintenance .....	130
• Infection Prevention and Control .....	130
• Piped Medical Gas.....	135
• Emergency Power Supply System.....	137
• Responding to Failures.....	141

#### **Try These Tools**

- [Tool 7-1. High-Risk Utility System Component Identification Checklist](#)
- [Tool 7-2. Ventilation in Critical Care Areas Policy](#)
- [Tool 7-3. Ventilation System Risk Assessment](#)
- [Tool 7-4. Waterborne Pathogen Prevention Checklist](#)
- [Tool 7-5. Utility Outage Mock Tracer Worksheet](#)

<b>Chapter 8: Fire and Life Safety .....</b>	143
<b>Key Concepts.....</b>	143
• Fire Safety vs. Life Safety.....	144
• Fire Safety .....	145
• Life Safety .....	152
• Occupancy.....	156
• “Defend in Place” and the Unit Concept.....	158
<b>Try These Tools</b>	
• <a href="#">Tool 8-1. Fire Protection Training Checklist</a>	
• <a href="#">Tool 8-2. Fire Drill Matrix</a>	
• <a href="#">Tool 8-3. Fire Protection—Engineering Controls Checklist</a>	
• <a href="#">Tool 8-4. Checklist for Identifying Fire Safety and Other Compliance Issues in Health Care Occupancy Kitchens</a>	
• <a href="#">Tool 8-5. Sprinkler System Compliance Checklist</a>	
<b>Chapter 9: Construction .....</b>	163
<b>Key Concepts.....</b>	163
• Planning and Design .....	164
• Managing Construction Risks .....	179
• Commissioning .....	186
<b>Try These Tools</b>	
• <a href="#">Tool 9-1. Room Data Sheet</a>	
• <a href="#">Tool 9-2. Preconstruction Risk Assessment Checklist</a>	
• <a href="#">Tool 9-3. Daily Construction Project Safety Inspection Checklist</a>	
• <a href="#">Tool 9-4. Post-Construction Checklist</a>	
<b>Chapter 10: The EC Survey .....</b>	187
<b>Key Concepts.....</b>	187
• The On-Site Survey Process.....	188
• The Survey Analysis for Evaluating Risk® (SAFER®) Matrix.....	193
• After the Survey .....	195
• Continuous Compliance .....	199
<b>Try These Tools</b>	
• <a href="#">Tool 10-1. Required EC Documentation Checklist</a>	
• <a href="#">Tool 10-2. What to Do on the First Day of a Survey—A Checklist</a>	
• <a href="#">Tool 10-3. The SAFER® Matrix</a>	
<b>Appendix: Resources .....</b>	201
<b>Index .....</b>	205
