Home Care Accreditation Essentials

PROGRAM OBJECTIVES

At the conclusion of this program, participants will be able to:

1. Discuss and identify risk points in The Joint Commission's (TJC) standards and survey processes related to your organization's ongoing survey readiness activities.
2. List unique aspects of your home care organization's accreditation by the Joint Commission as it relates to your type(s) of home care services.
3. Discuss compliance with Conditions of Participation and Quality Standards.
4. Explain strategies and compliance tips for home care accreditation standards, including challenging standards, in your home care organization.
