PROGRAM OBJECTIVES:

At the conclusion of this program participants will be able to:

1. Describe the survey process for accreditation compliance to the Life Safety Chapter.
2. Review the core and healthcare occupancy specific chapters of the NFPA Life Safety Code.
3. Describe how the Life Safety Chapter is supported by the occupancy chapters of the NFPA Life Safety Code.
4. Analyze the Joint Commission requirements for managing compliance with the Life Safety Code.
5. Review supporting NFPA documents, including Health Care Facilities Code, Fire Alarm Code and Others.

The Joint Commission is a private, not-for-profit organization dedicated to continuously improving the safety and quality of care provided to the public. Joint Commission Resources, Inc. (JCR), a wholly controlled, not-for-profit affiliate of The Joint Commission, is the official publisher and educator of The Joint Commission.
