Learning Objectives

At the conclusion of this program, participants will be able to:

1. Review and analyze the approach to success with new and revised CMS rules and regulations.
2. Discuss trends and commonalities of CMS findings in 2022 and how they may impact your hospital in 2023.
3. Identify methods for managing emergency preparedness.
4. Discuss physical environment and Life Safety Code as it relates to the structures around you.

The Joint Commission is a private, not-for-profit organization dedicated to continuously improving the safety and quality of care provided to the public. Joint Commission Resources, Inc. (JCR), a wholly controlled, not-for-profit affiliate of The Joint Commission, is the official publisher and educator of The Joint Commission.
